48 Lots — Strong Bloodlines — Real Money Makers

From Mr. Reynolds

Due to the shortage of help, it has become necessary for me to reduce the size of my herd. I cannot personally care for 70 head of cattle but will try to carry on with about half that number. No effort has been made to fit the cows that will be sold and they will be offered in pasture condition. The bulls and heifers will have been on feed for about 90 days at sale time. Every one of these young animals has been reared on its mother's milk as I did not possess a nurse cow. Many of my best producing cows are included as an inducement for you to attend the sale. It is a pleasure for me to invite you to attend the sale and inspect the cattle at the Barry Sale Pavilion, Barry, Illinois on Saturday, September 18th, 1943.

T. A. Reynolds

From Mr. Stephens

Having accepted a position which will keep me away from my farm much of the time during the coming year, I have decided to reduce the size of my herd. My cattle, though never pampered, are naturally easy fleshers and are being offered in excellent condition. All of them have been vaccinated for Bangs disease. All were clean at the time of vaccination and health papers will accompany them. All pictures of my cattle displayed in this catalog were taken just as they came from pastures. These cattle have been profitable on my farm. I believe they will prove equally profitable to those who buy them.

Russell Stephens

Terms and Conditions

TERMS and CONDITIONS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

HEALTH — Every animal in this sale offering is absolutely clean. They have all been tested for both Tuberculosis and Bangs Disease within 30 days of the date of this sale and individual health charts will be provided that will meet the requirements of any state.

We will not be responsible for accidents that may occur but will take every precaution to provide for comfort and safety of those who attend.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

About The Offering

It is indeed fortunate that these two well and favorably known Illinois breeders can join forces for the purpose of providing this sale offering. Both breeders have founded their herds on seed stock of rich bloodlines and both have maintained their herds with painstaking care.

This sale, filled to the brim with real money makers, is for the purpose of bringing about a reduction in the size of the herds owned by these two well known breeders rather than the usual draft offering in which surplus cattle alone are offered. Mr. Reynolds and Mr. Stephens are both engaged in other work and their herds must be cut down in size to a point commensurate with the time they can spend in their livestock enterprises. Accordingly, the auction will contain many mature females and top young animals that would not be for sale under other conditions.

I am confident that it is a good time to buy Scotch Shorthorn cattle and that those to be offered in this auction will prove very profitable to their new owners. — Hal Longley of The Shorthorn World.

Leveldale Envoy, one of the top Mathers productions, has proved an outstanding sire in the Reynolds herd. His get and service will be a feature of this sale.

Leveldale Envoy — We feel, and many good judges agree with us, that this bull is one of the best ever produced in the Mathers herd. He is a son of the many times champion Dreadnaught Lustrous, absolutely level in his lines and with a head that denotes great prepotency. His first calves will arrive soon. A number of the choice heifers in our consignment to this sale are carrying his service.

Left: Sni-a-Bar Royal Baron 1929067 was used liberally in the Tarco Herd owned by T. A. Reynolds after he had gone through an entire show season without defeat as a 2 year old. Lot 1 in this sale is considered to be his most promising son.

Right: Royal Echo, Lot 1 in this sale, is a bull that should head a very strong purebred herd. He has the color, type and ancestry to suit the most critical.

Royal Echo — If I were not reducing the size of my herd, I would not consider selling this bull. He has about everything desirable in a herd bull — he is wide, deep, close to the ground, has a great head and neck and is a beautiful animal in every respect. I doubt that a better bull will be offered for sale this year.
